*Dear guests,*

*Welcome to restaurant "Midalidare Vintage"!*

*Good wine and good food for centuries go hand in hand, leading to a fine dining experience for the senses.*

*The philosophy of our winery is to produce wines in small quantities with a strong character. For them, we use traditional classic varieties of our own arrays, as the technology is consistent with the current understanding of an ecological product.*

*All wines in Midalidare Estate are free of preservatives, colourings and sugars. The only thing we have added is a "pinch of love."*

*For connoisseurs of high-class wines, which are winners of prestigious international awards, our enologist has selected a variety of wines, which it recommends especially for you.*
